

River City Property Management

Move-Out Procedures & Showing Instructions

Your lease agreement authorizes River City Property Management to show the property for rent during the last 30 days of your lease. We may place a sign in the yard, and place a key box on the property and begin showing the property to prospective residents.

If you cannot be present at the time of showing, we will use our key in the key-box.

A key box is a locked container in which a key to the property is placed. The key box can be opened with a special combination. This enables representatives of River City Property Management and other brokers to gain access to the property.

You may withdraw your authorization to allow a key-box on the Property by providing written notice to River City Property Management and paying the Landlord a fee as stipulated in your lease agreement in consideration for the withdrawal. River City Property Management will remove the key-box within a reasonable time after receipt of the notice of withdrawal and payment of the required fee. Removal of the key-box does not alleviate your obligation to make the property available for showings.

Whether or not you authorize a key-box to be placed on the Property the Landlord may show the property at reasonable times to prospective tenants. **Tenant understands that failure to allow reasonable showings as well as keeping the Property "showable" during this time constitutes default of the lease, and the security deposit, in its entirety, can be forfeited for this reason.**

We use Centralized Showing Service (CSS) to notify you of showings and to record who is showing the property and the approximate time they are showing it. Centralized Showing Service (CSS) will give you a courtesy call to inform you of each showing. A courtesy call means that they will give you a call but if they cannot contact you, the agent will still show the property.

Centralized Showing Service (CSS) will call the phone number that you have on file with the office to notify you of the approximate time when agent will be showing the property. If you would like CSS to contact you at another number, please call us immediately so we can properly notate it in our records.

In addition, Centralized Showing Service will record if you deny or cancel showings.

There is a \$50 fee for each denied, canceled showing or property is unable to be accessed for showings. Do not lock the keyless deadbolt on the front door and if you use a security system, call the office to confirm that we have the correct security code.

The Lease Agreement requires you to secure your pets or remove them from the property if they would interfere or prohibit showings. Tenants will be charged trip charges or even lose their deposit if they prevent or prohibit showings.

Please do not allow any prospective residents in your home unless they are accompanied by their real estate agent. Please refer them to the office to see the property.

If you have any questions please call.

Our experience has been that after the work and stress of moving out, tenants may be too tired to clean the house. We recommend considering a professional cleaning company.

We would be happy to recommend a professional service if you desire.

If you hire a professional cleaning service you should provide them a list of what we expect and oversee and inspect their work.

Please follow the above instructions carefully. If the house does not meet the prerequisites after the inspection, applicable charges will be made with no exceptions.

Tenants are not permitted back on the property after vacating.

Upon leaving, please be sure to fully secure the property by locking all windows and doors. Do not lock the Keyless Deadbolts!!!
